ABOUT ME

Hello! My name is Pedro, I am 20 years old and I have recently completed my degree in Information Technology for Management at IADE.

I am starting my professional career and in this regard, I am looking for a challenge that allows me to put into practice the knowledge I have acquired throughout my degree and to develop my skills.

I consider myself a committed, persistent and dedicated person and I am a perfectionist when it comes to the tasks that are assigned to me. I also enjoy working in a team where I can learn new things!
